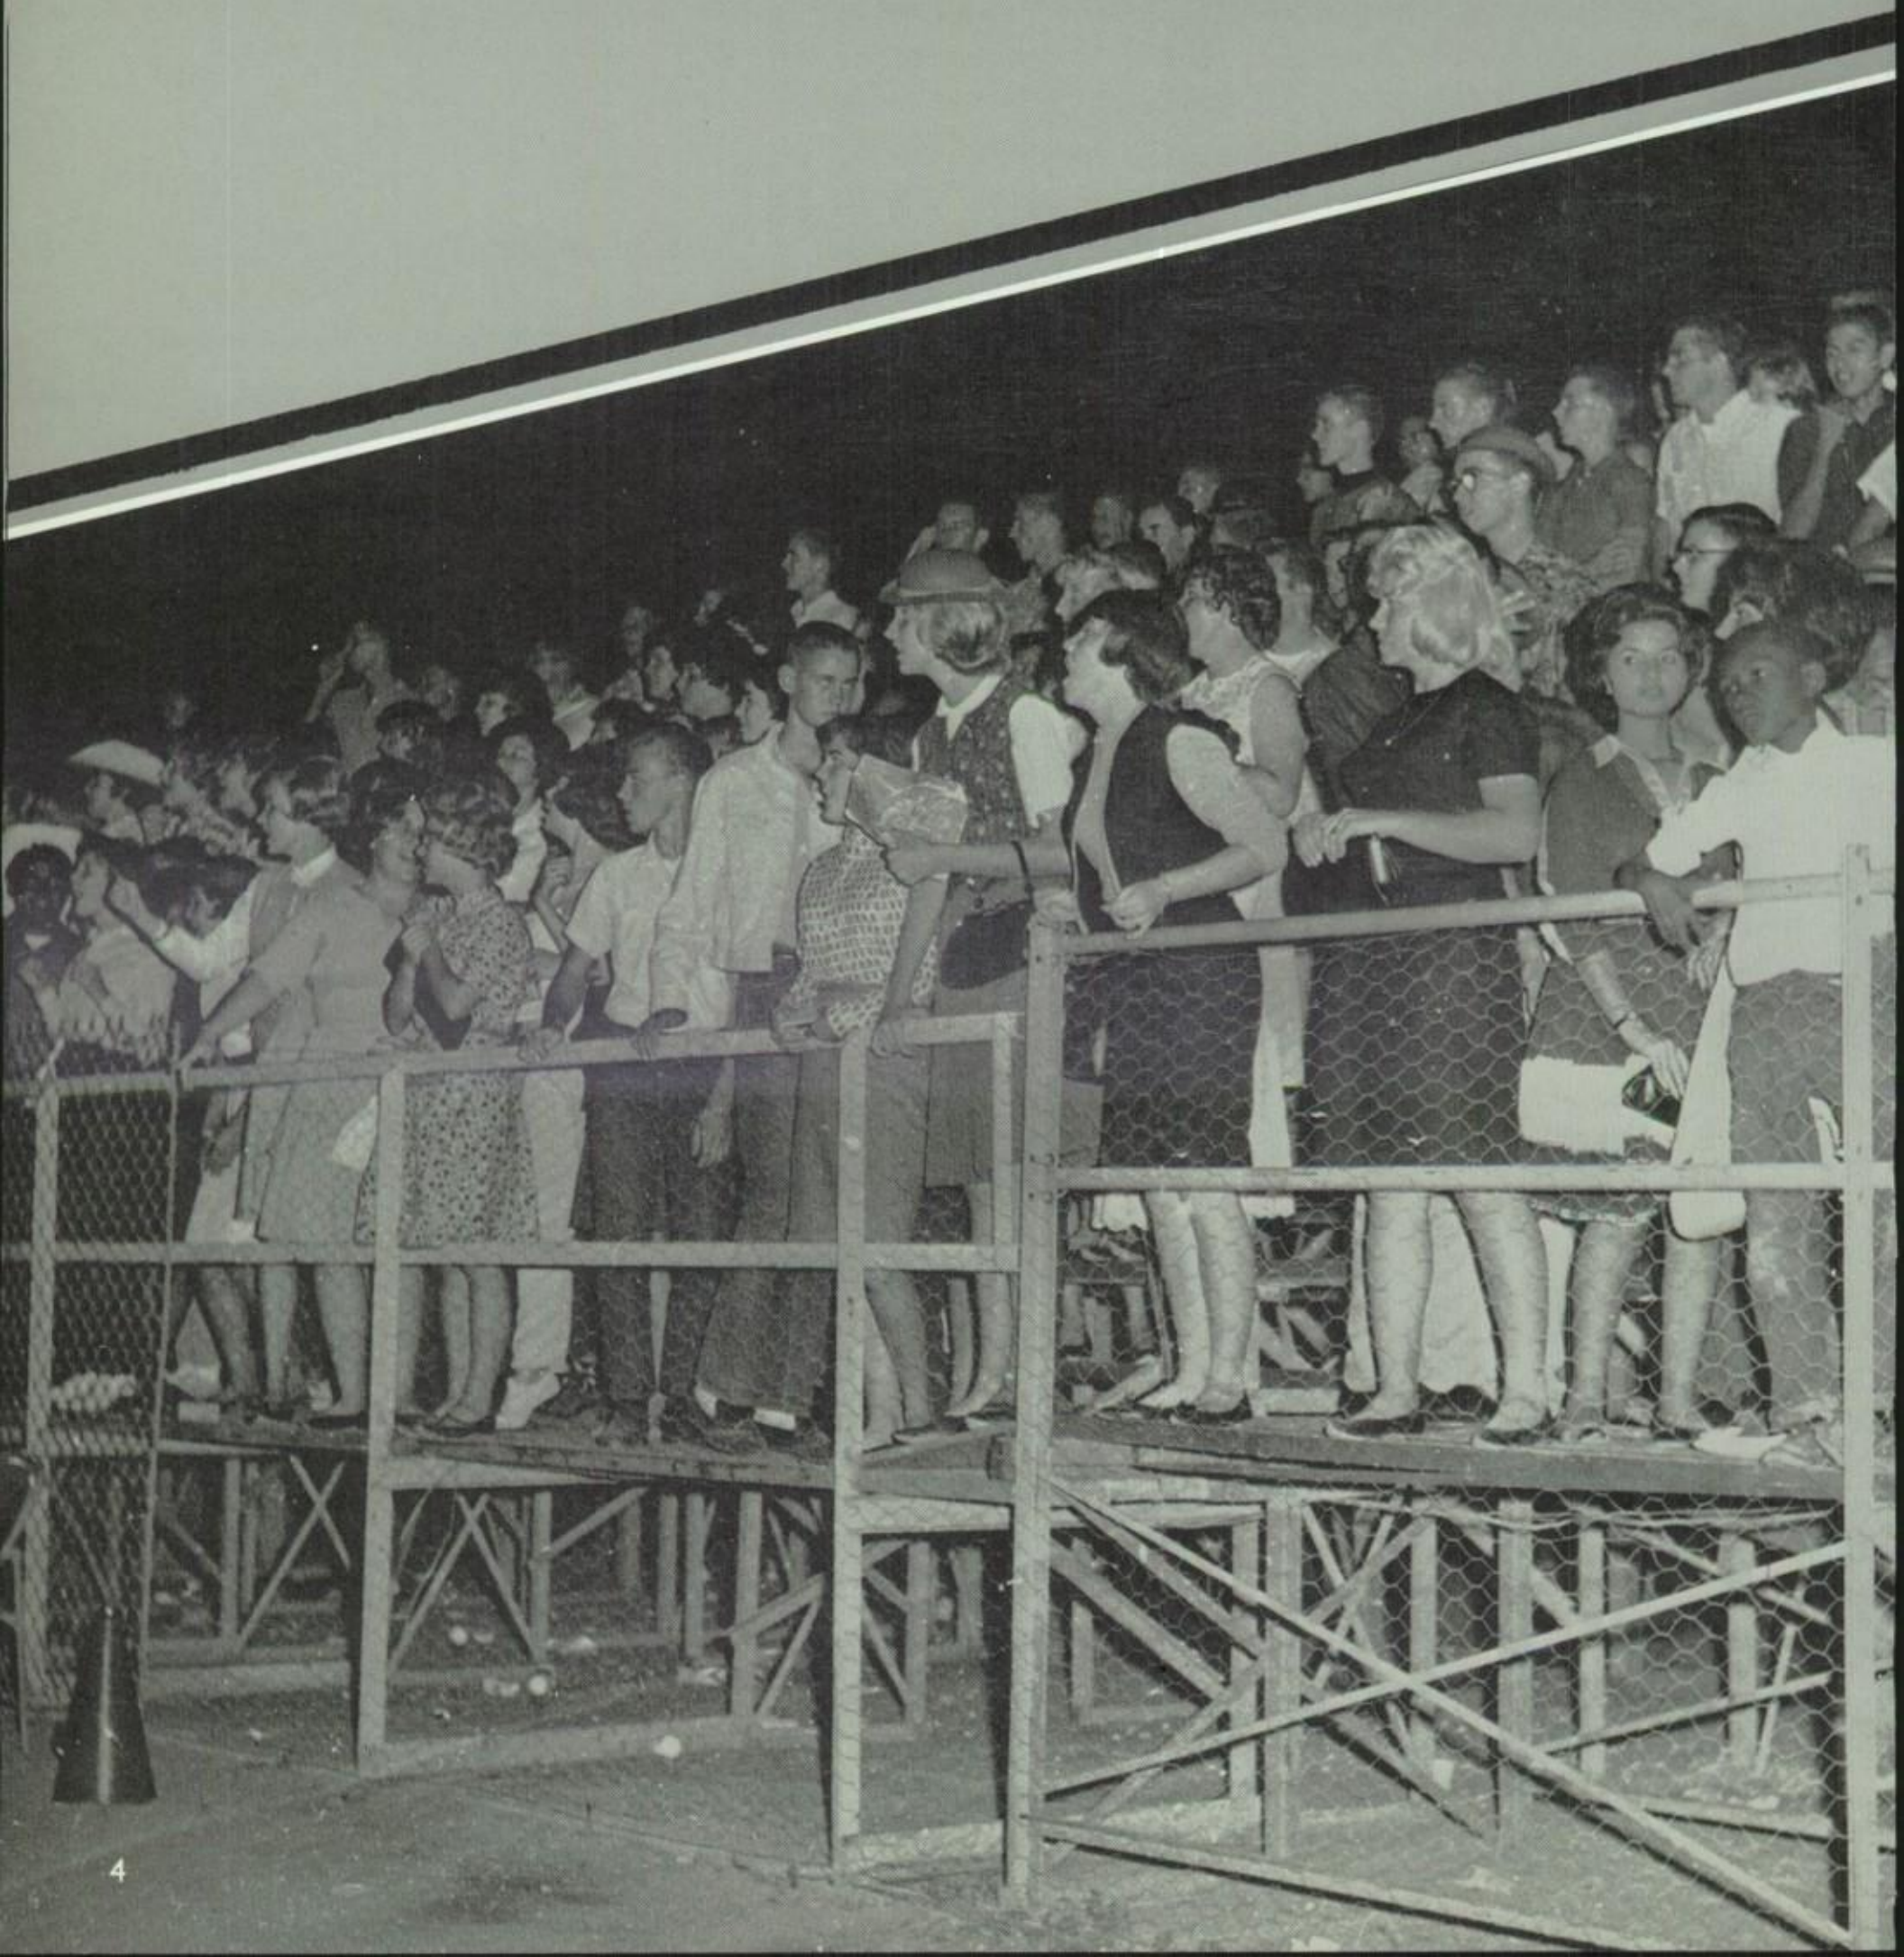
DEDICATION

EACH YEAR, IT HAS BEEN THE POLICY . . . OF THE ANNUAL STAFF . . . TO SELECT A HARD-WORKING AND DESERVING PERSON . . . OR PERSONS . . . TO HONOR . . . THROUGH THE DEDICATION OF THE WICKIUP. THIS YEAR, WE ARE PROUD TO ACCORD THIS HONOR . . . TO A BUSY, RESPONSIBLE, SCHOOL-SPIRITED, INDUSTRIOUS, INTERESTED GROUP . . . ON WHICH OUR SCHOOL REVOLVES. THIS GROUP PARTICIPATES IN . . . PROMOTING ADMIRABLE SCHOLASTIC AND MORAL STANDARDS . . . OUR SCHOOL GOVERNMENT . . . COUNTLESS EXTRACURRICULAR ACTIVITIES . . . NUMEROUS CLUBS AND ORGANIZATIONS . . . AND IS VITAL TO THE VERY EXISTENCE OF AGUA FRIA. IT IS WITH THESE CONTRIBUTIONS IN MIND . . . THAT WE . . . THE WICKIUP STAFF . . . PRESENT THE 1963-64 WICKIUP . . . IN HONOR OF YOU . . . THE STUDENT BODY.



When you think of school spirit, what do you see?
This is the picture that comes to me:
Agua Fria is people—spirit and all
It's assemblies and classes and a rush in the hall.
It's panic at grade cards, it's scarlet and gray
It's clock-watching in class, and homework each day.
Elections each year, and the rivalry's keen
All yearn for a scholarship; who will be queen?
School spirit means projects and clubs with their fun
And everyone working till all tasks are done.
Bonfires and pep parades, cheerleaders and yells,
The class-to-class dash at the sound of the bell.
Tense moments at games, cheering the team
Seeing the lawn's kept spotlessly clean.
Council meetings and P.A. news
"Honor First, Win or Lose."
Formals and footballs, freshmen and fun
The days when *nothing* seems to be done.
Test tubes and workbooks, crayfish and teachers
Kickoffs, when short ones must stand on the bleachers.
Vying for championships, and on winning a few
That special pride for the school overwhelms you.
Deadlines and ink stains, tests and opening nights
Girls with top lockers—and other gripes.
The fatal moment when, life unfurled,
You leave Agua Fria to face the world.

ADMINISTRATION

Few things are reserved exclusively for the administration . . . besides work. The morning rush at the mailbox . . . the quick minutes of relaxation caught in the faculty lounge . . . are the scarce moments of respite.

These busy beavers behind our school . . . actively plan each day. They contribute so much to our school life . . . including . . . teaching what we must know . . . developing better citizens . . . sponsoring intramural activities, clubs, and classes . . . chaperoning dances . . . lunchroom duty . . . guidance . . . conversing with proud or irate parents at open house . . . freely giving of their precious time to help those in trouble or in need.

These all-important people are the true leaders of our school . . . the men and women we look to for inspiration. Correcting . . . criticizing . . . listening . . . helping . . . sharing their knowledge with us . . . endlessly . . . without adequate recognition . . . especially from us, who take all they have to offer.

Enough thanks could not possibly be given to all members of our excellent faculty and administration . . . the appreciation caught in our innermost selves is too deep to be expressed . . . or even realized . . . yet.

SCHOOL BOARD ESTABLISHES POLICIES

An interested and active Board of Education meets once a month to carry out the school's business. The members of the board are elected by the people in the district to administrate school affairs.

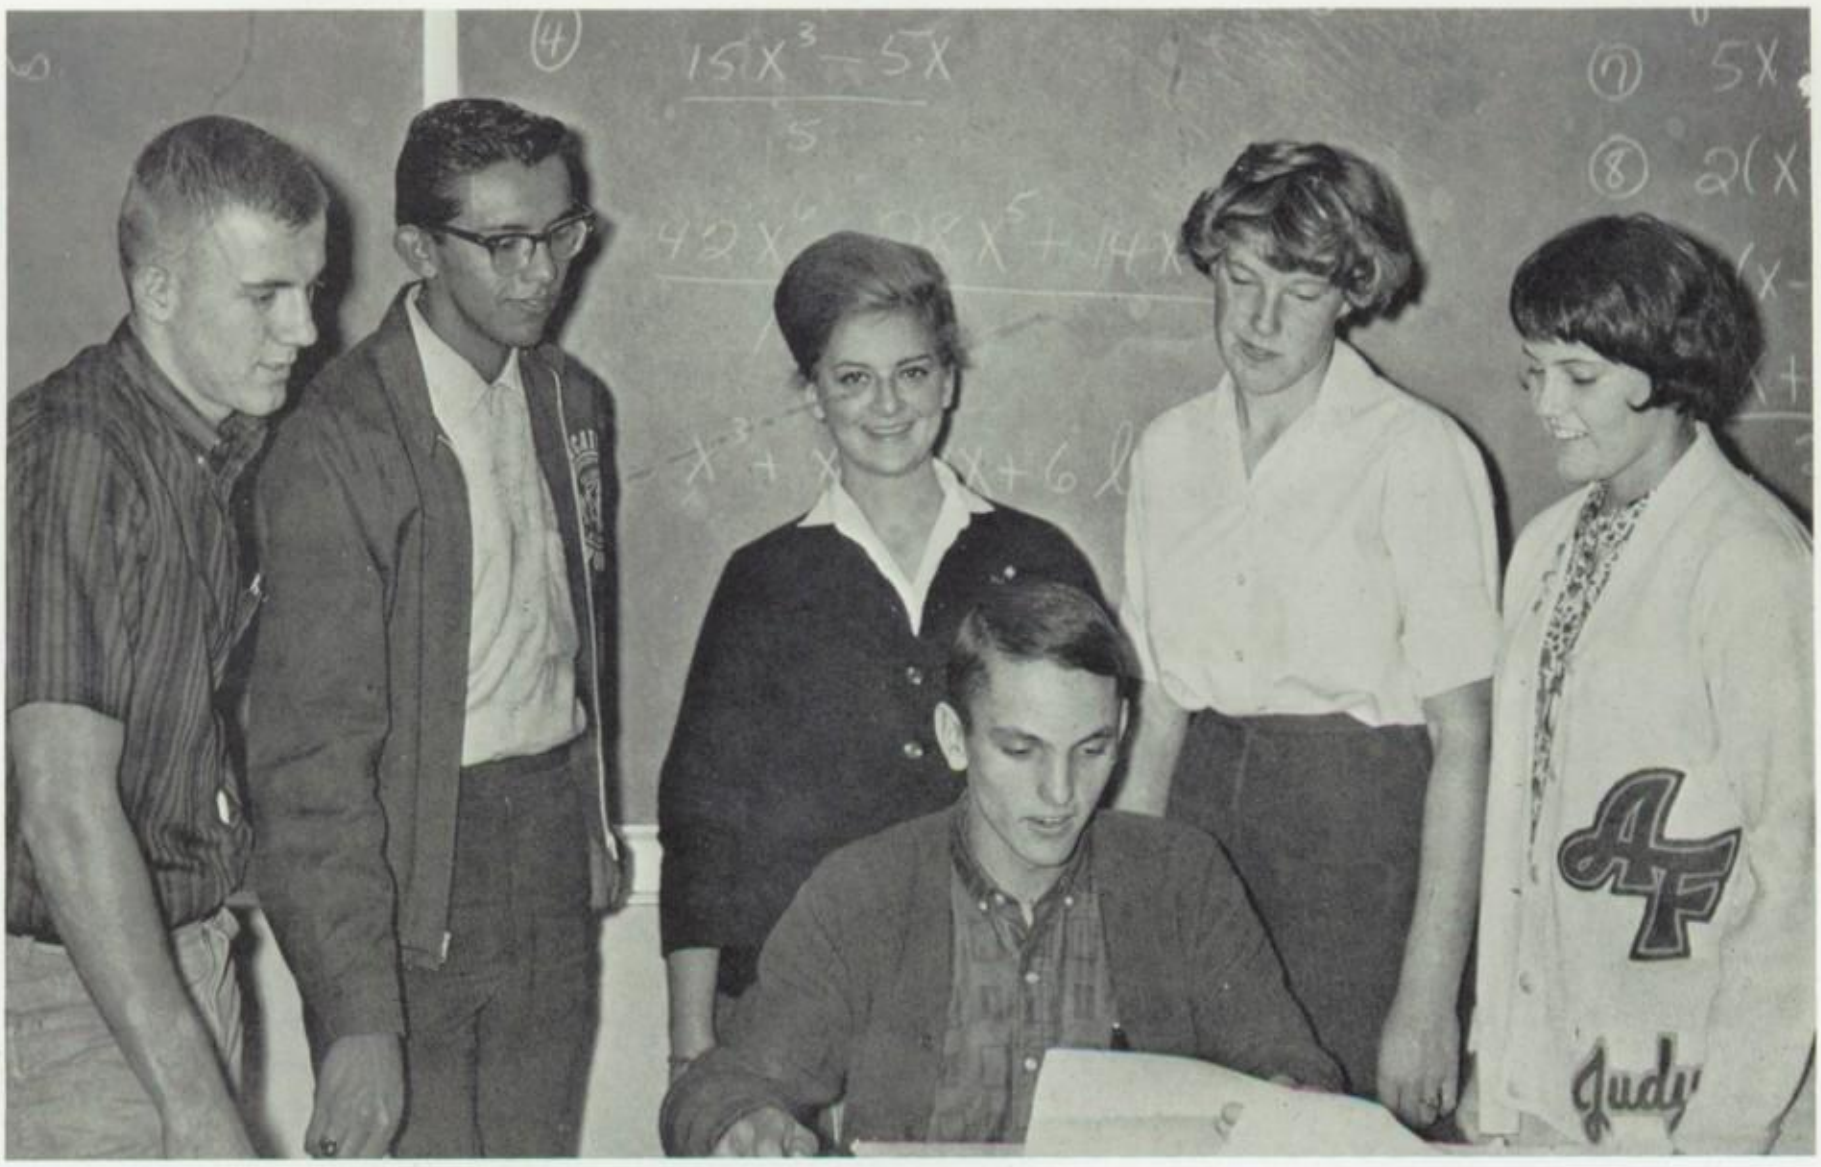
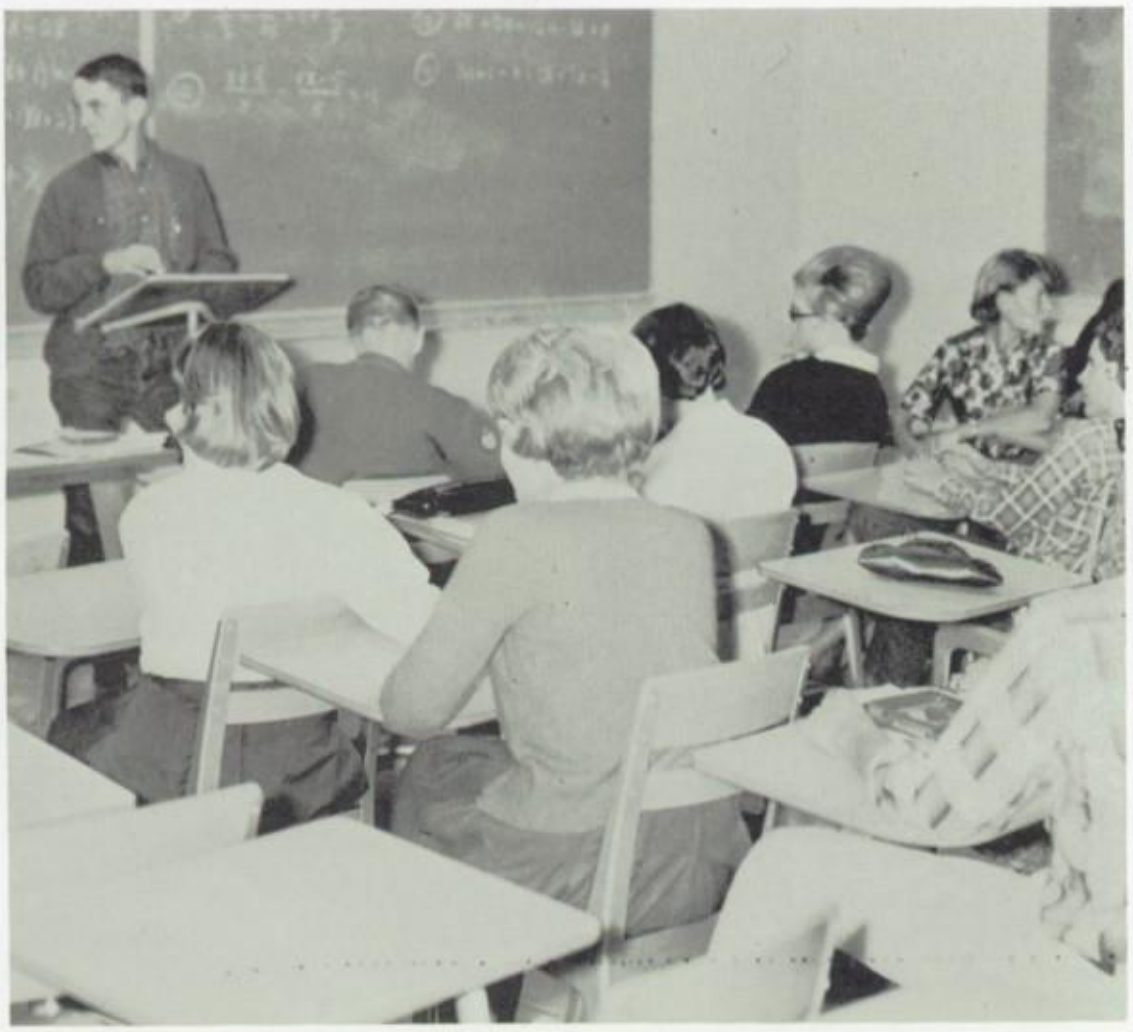
COUNCIL SPONSORS HOMECOMING AND CARNIVAL



ATTEND CONVENTION. These six Student Council members attended the Student Council convention held at Tucson. They are, left to right: Rick Daggett, Senior Class President; Frank Bejarano, Student Council Vice President; Kena Moreno, Foreign Exchange Student from Chile; Barbara Davis, Business Manager; and Judy Rayner, Secretary. Seated is President, Mike Espil.



PRESIDENT AT WORK. Mike Espil directs Student Council meeting held every Wednesday.

Student Council is the most important organization at Agua Fria. The members plan the school's activities, direct Student Council sponsored dances and parties, and monitor the lunch room during both lunches.

Student Council meetings are held every Wednesday. At this time, planned activities are discussed and voted upon.

Many advantages are accrued the students through Student Council. Each class has representatives they elect to sit on the council.

The Student Council's major projects this year were the planning and sponsoring of Homecoming and heading the carnival to finance our foreign exchange student.

CLASSES

Our Student Body consists of four individual classes . . . with considerable rivalry existing . . . between them . . . even so . . . these classes are mended together in one group . . . by many invisible and intangible ties . . . the greatest being . . . that they are all fellow-students at Agua Fria. Other ties are less noticeable . . . but invaluable nonetheless. These consist of experiences shared . . . and remembered . . . by everyone . . . the first day of school . . . and the last . . . noon rushes in the lunchroom . . . crowded dances . . . that first formal . . . cheering at all sport functions . . . the class assemblies . . . working hard to build an award-winning Homecoming float . . . various sales campaigns to raise badly-needed funds . . . yelling your class cheer at all assemblies . . . the threat of not having activity period on Friday . . . the thrill of running for a class or Student Body officer . . . telling yourself you will, no matter what happens, clean your locker out sometime this week . . . griping at homework or girls with top lockers . . . trying to get to class before the fatal bell rings . . . satisfaction at participating in various school activities . . . cramming for semesters . . . Senior Prom . . . Senior Slave Sale . . . are shared by members of each class.

CURRICULUM

At night, Agua Fria seems desolate . . . deprived of her lifeblood . . . waiting for the magical moment of 8:45 to arrive . . . when once again she pulsates strongly . . . springing back to life . . . for her student body . . . whom she tends and watches over for six short hours . . . has returned.

For five minutes . . . between seventy-minute classes . . . swarms of teenagers flood the halls . . . clearing passageway to their lockers . . . fumbling with the lock . . . stuffing in and grabbing more books . . . hacking their route back to their next class . . . miraculously arriving on time. There they studiously concentrate on various accomplishments . . . whether it be . . . keeping in step with the rest of the band . . . striving for a higher goal in typing . . . building healthier bodies . . . tackling equations or logarithms . . . examining our governmental system . . . or the whys and hows of nature . . . finding answers to the puzzles of our universe . . . learning to build better homes and families . . . improving their understanding of our language . . . or those of another country . . . broadening their scope of knowledge on all horizons.

Closed within those rooms . . . and others just like them in high schools throughout the United States . . . the future of our country . . . is struggling along the path to become . . . the greatest generation the world has ever known.

OUR STUDENTS STRIVE FOR HIGHER GOALS

Photography, taught by Mr. Newman, teaches students the proper techniques for taking and developing pictures. This training will aid many of the students in their future vocations.

Die Deufsche Klasse gue "Bt herzlich"—We give you greetings from the German class. The students are given a better understanding of the language, the people, and their customs.

ELECTIVE CLASSES CREATE STUDENT INTEREST

Typing, taught by Mrs. Overman and Mrs. Raine, is a very exciting and often times frustrating class. Students learn how to type all forms of letters and manuscripts. Typing is a neat, speedy, and simple way to do homework, write letters, etc.

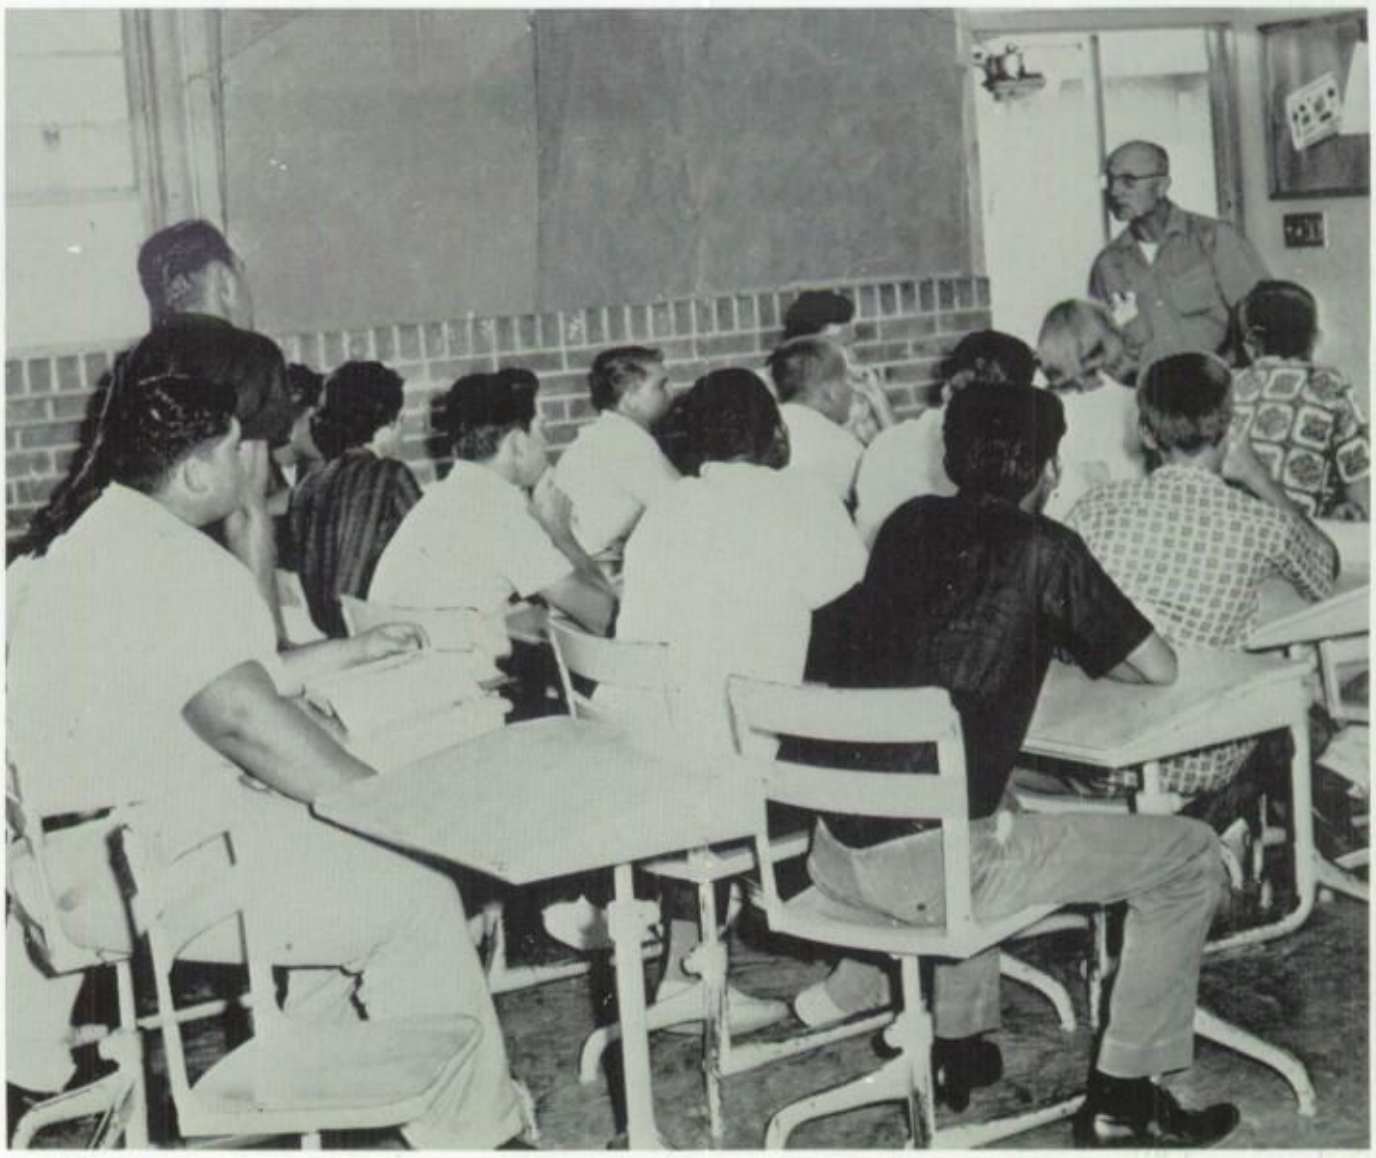
Agriculture is offered in a five-year schedule at Agua Fria. Taught by Mr. Bell and Mr. Rayner, Agriculture includes all methods of farming and ranching, as well as practical experience.

Speech, taught by Mr. Miller, is a class which offers many rewards. the students give speeches, demonstrations, and participate in debates. These assignments aid them in public speaking.

CLASSES HELP FOSTER BETTER CITIZENSHIP

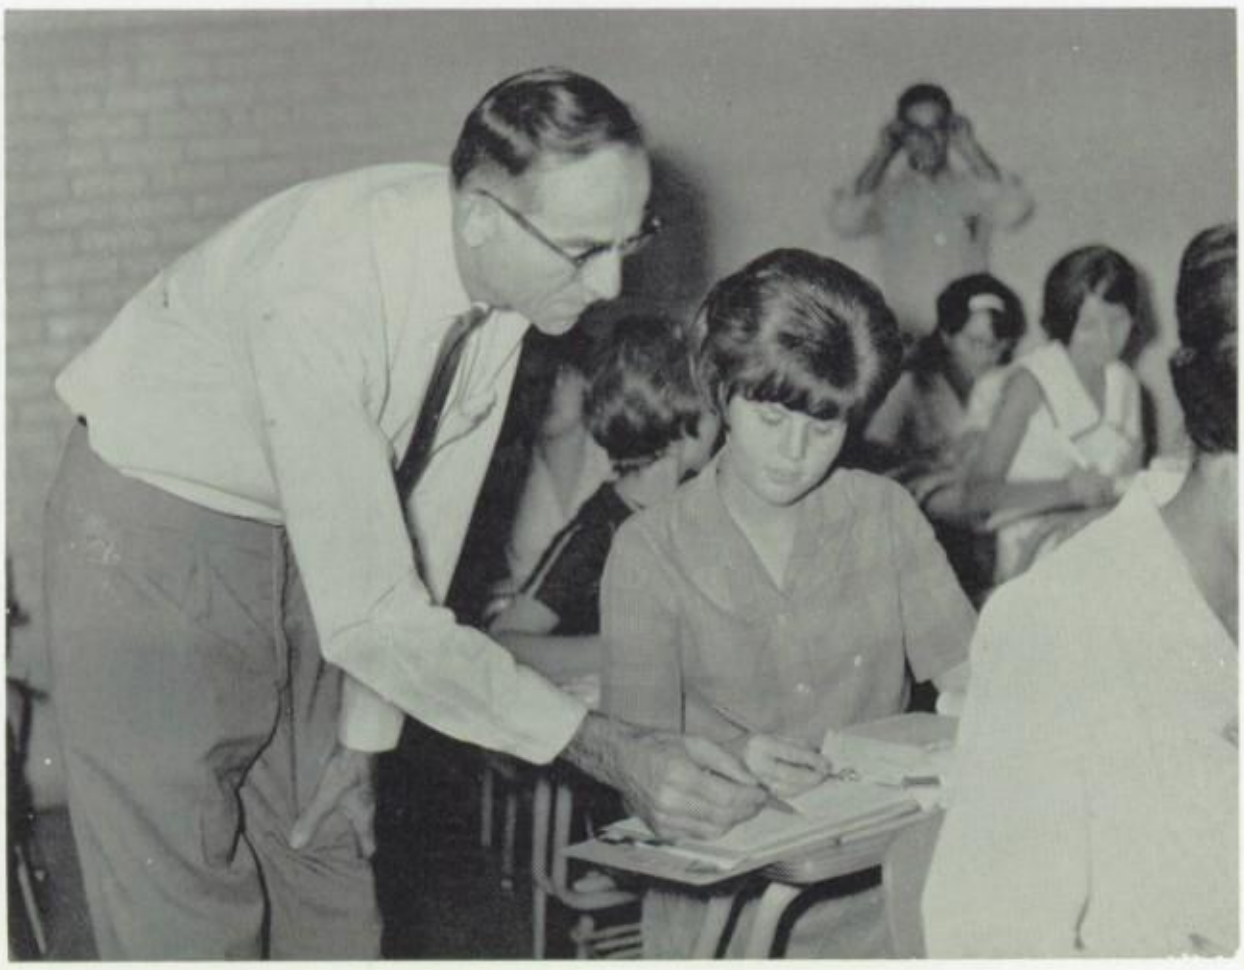
Physical education teaches girls the importance of physical fitness and following rules.

In auto mechanics, the students learn the procedures for fixing and over-hauling automobiles. This training will help many of the boys in their future vocations. The girls get the experience they will need in changing tires, and other minor difficulties they might have with the automobile.



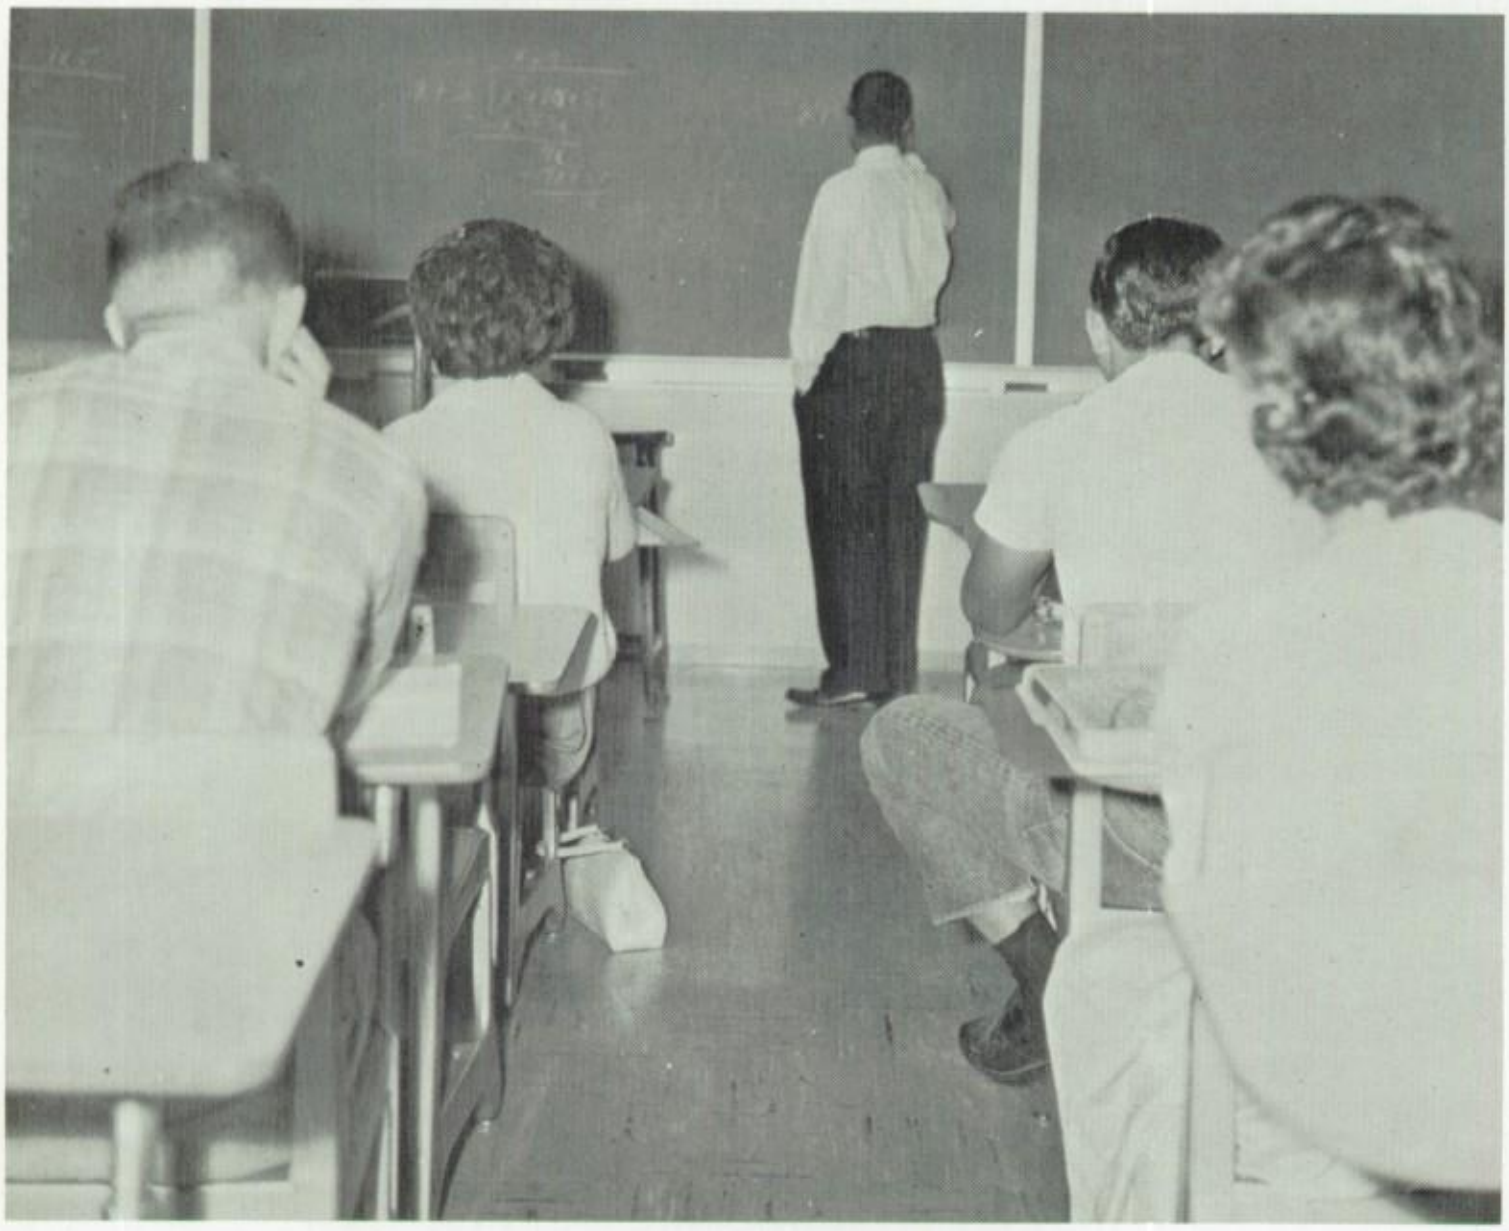
Home Economics, taught by Miss Lockridge, is a very exciting and educational class for future homemakers. In Home Ec. 1 and 2 they learn the basic ideas for cooking, sewing, and home management. In the advanced courses, they acquire the knowledge that makes them better homemakers.

SKILLS ARE ADVANCED IN CREATIVE CLASSES



American History, a required course at Agua Fria, is taught by Mr. Quass. In this class, the students learn the past and present history of our nation. They study the rights and privileges granted to us by the Constitution of the United States of America.

MATH AND SCIENCE DEVELOPS ANALYTICAL MINDS

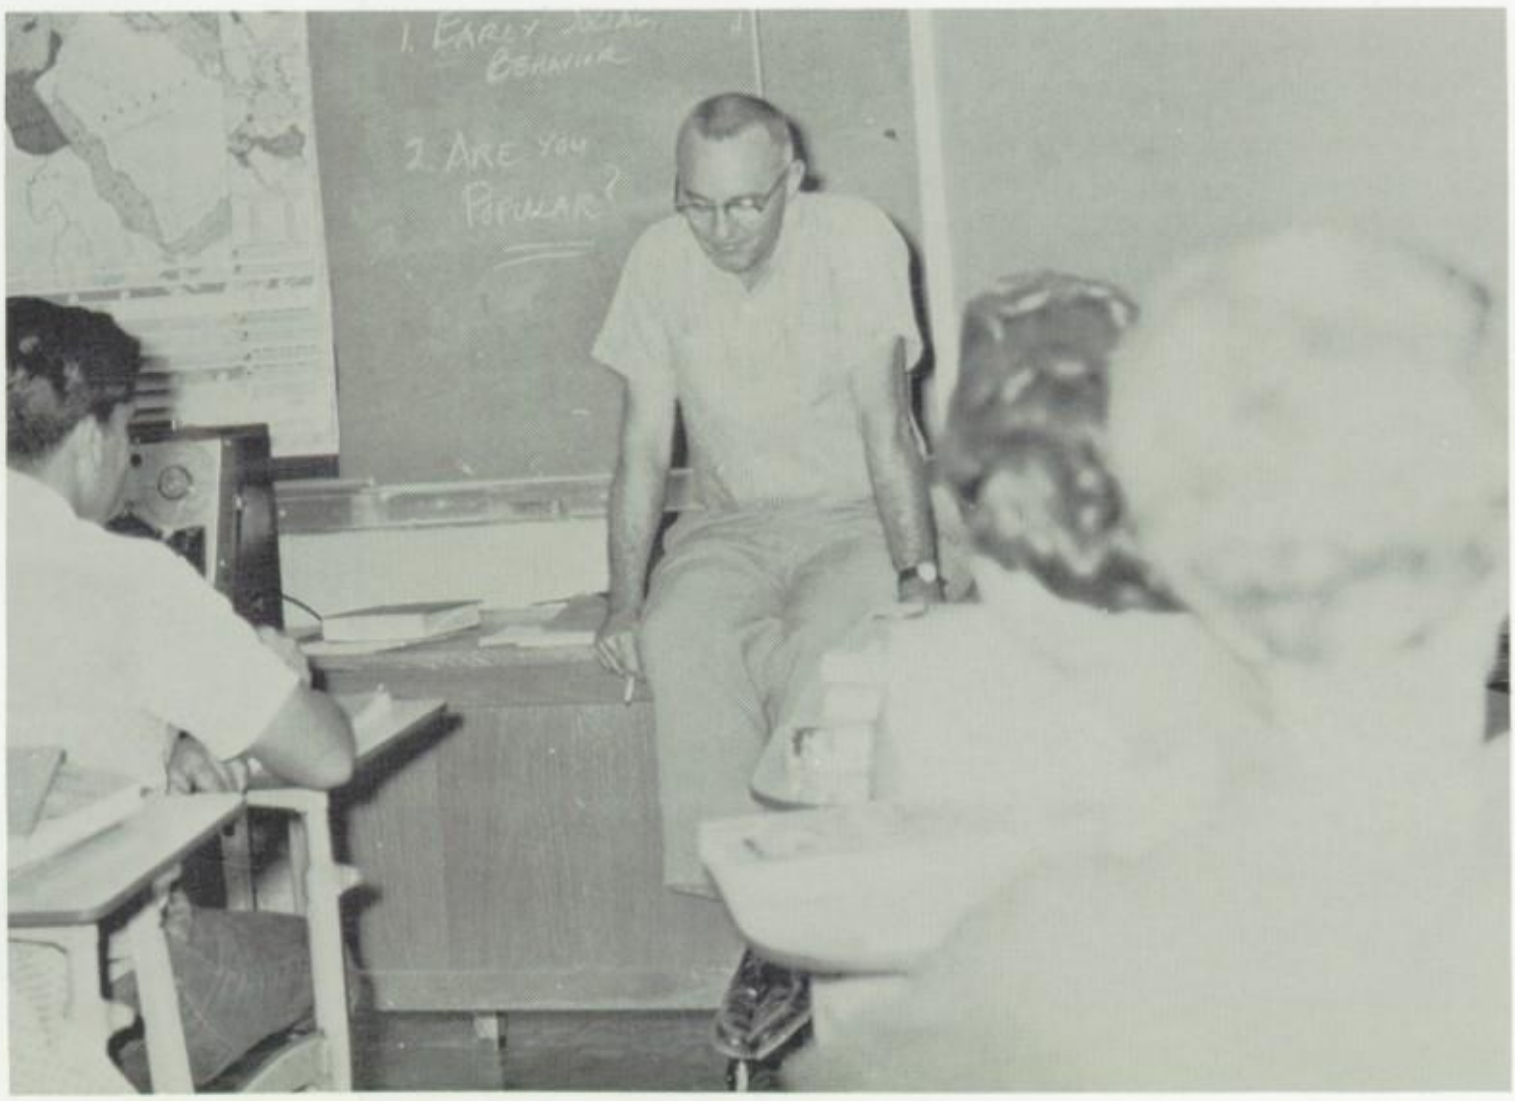


Math courses at Agua Fria are taught by Mr. Kindle and Mr. Linthacum. They include algebra, geometry, trigonometry, and general math. Math is used in almost every phase of activities you may be acquainted with. Thinking logically is one of the most important things a math class teaches. This includes all the practical formulas and equations.

Biology, taught by Mrs. Moore, Mr. Hyde, and Mr. Fulton is a required course at Agua Fria. The students acquire a better knowledge of themselves and their environments. They study the anatomy of the human body, Zoology, and Botany.

STUDENTS STRIVE FOR GREATER KNOWLEDGE

Electronics, taught by Mr. Green, is a very interesting class at Agua Fria. The students learn various phases of the field of electronics. This class will be an aid to many of the students in choosing their future vocation.



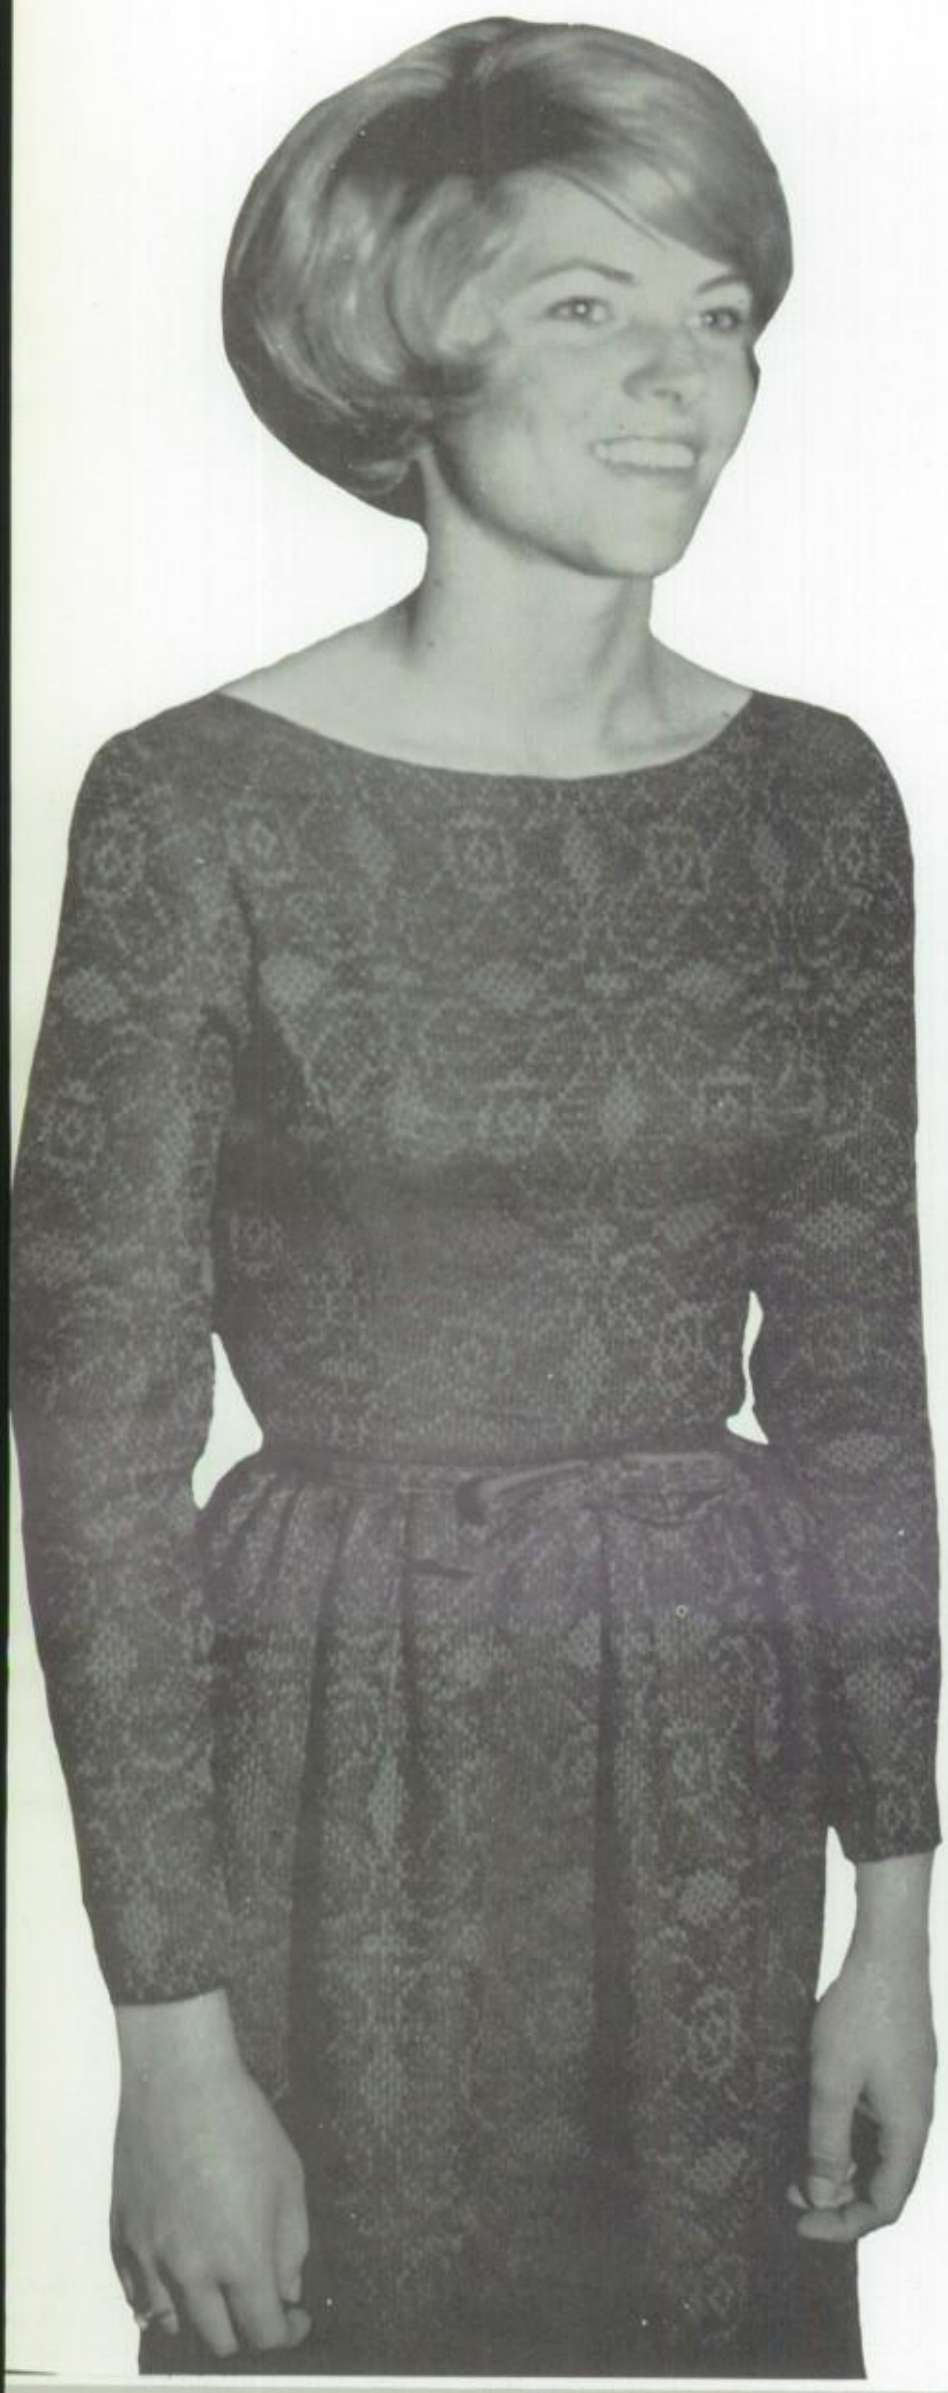
Sociology, taught by Mr. Peterson, is a class in which the students participate. They learn the history of civilization, social problems, and almost every phase of life that deals with people. At the end of the course, they have a better understanding of themselves and others.

HONORS

In every nation . . . in every society . . . in every school . . . there are those wonderful people endowed with a little more perseverance . . . a little more talent . . . and a greater capacity for accepting responsibility . . . all of which add up to produce . . . a well-rounded personality . . . a sense of all-encompassing citizenship . . . a good leader . . . one who invariably is admired by their classmates . . . and a perfect example to underclassmen . . . these people have worked a little harder . . . dreamed a little harder . . . and worked some more . . . to achieve everything they have . . . they have been honored above the rest . . . they have been chosen for special recognition by . . . the State . . . the Administration . . . and by you, the Student Body.

Homecoming
King and Queen

Michel Espil
and
Kathy Raymond



Kathy was named from 151 seniors to be Valedictorian with a grade index of 3.938. She has been very active in her four year attendance at Agua Fria. Kathy has been a pom pon girl for three years, Junior Class President, Homecoming Queen, and a representative to Girls' State. She was a member of the National Honor Society, Health and Safety Council, Student Council, Girls' League, and Girls' Letterclub.

Kathy, pom pon captain, picks records for their next routine.

Valedictorian

Kathy Raymond

Salutatorian

Lynde Bartle

Lynde in her role as a cheerleader takes a view from the sidelines.

Lynde was named Salutatorian with a 3.765 grade index. She has been attending Agua Fria since she was a sophomore. Lynde was a National Merit finalist, a cheerleader her senior year. Honor Society Secretary, a member of Girls' League, F.H.A. and Drama Club. She was also a representative to Anytown her junior year.

Karen Pigg

Winter Fantasy King and Queen

Michel Espil

On March 7, Michel and Karen were crowned Winter Fantasy King and Queen at the annual Girls' League formal.

At a dance, Cathy was presented with a bouquet of red roses and an honorary membership in the Key Club. Her duties were to keep a club scrapbook, attend the club's meetings and all Key Club conventions.

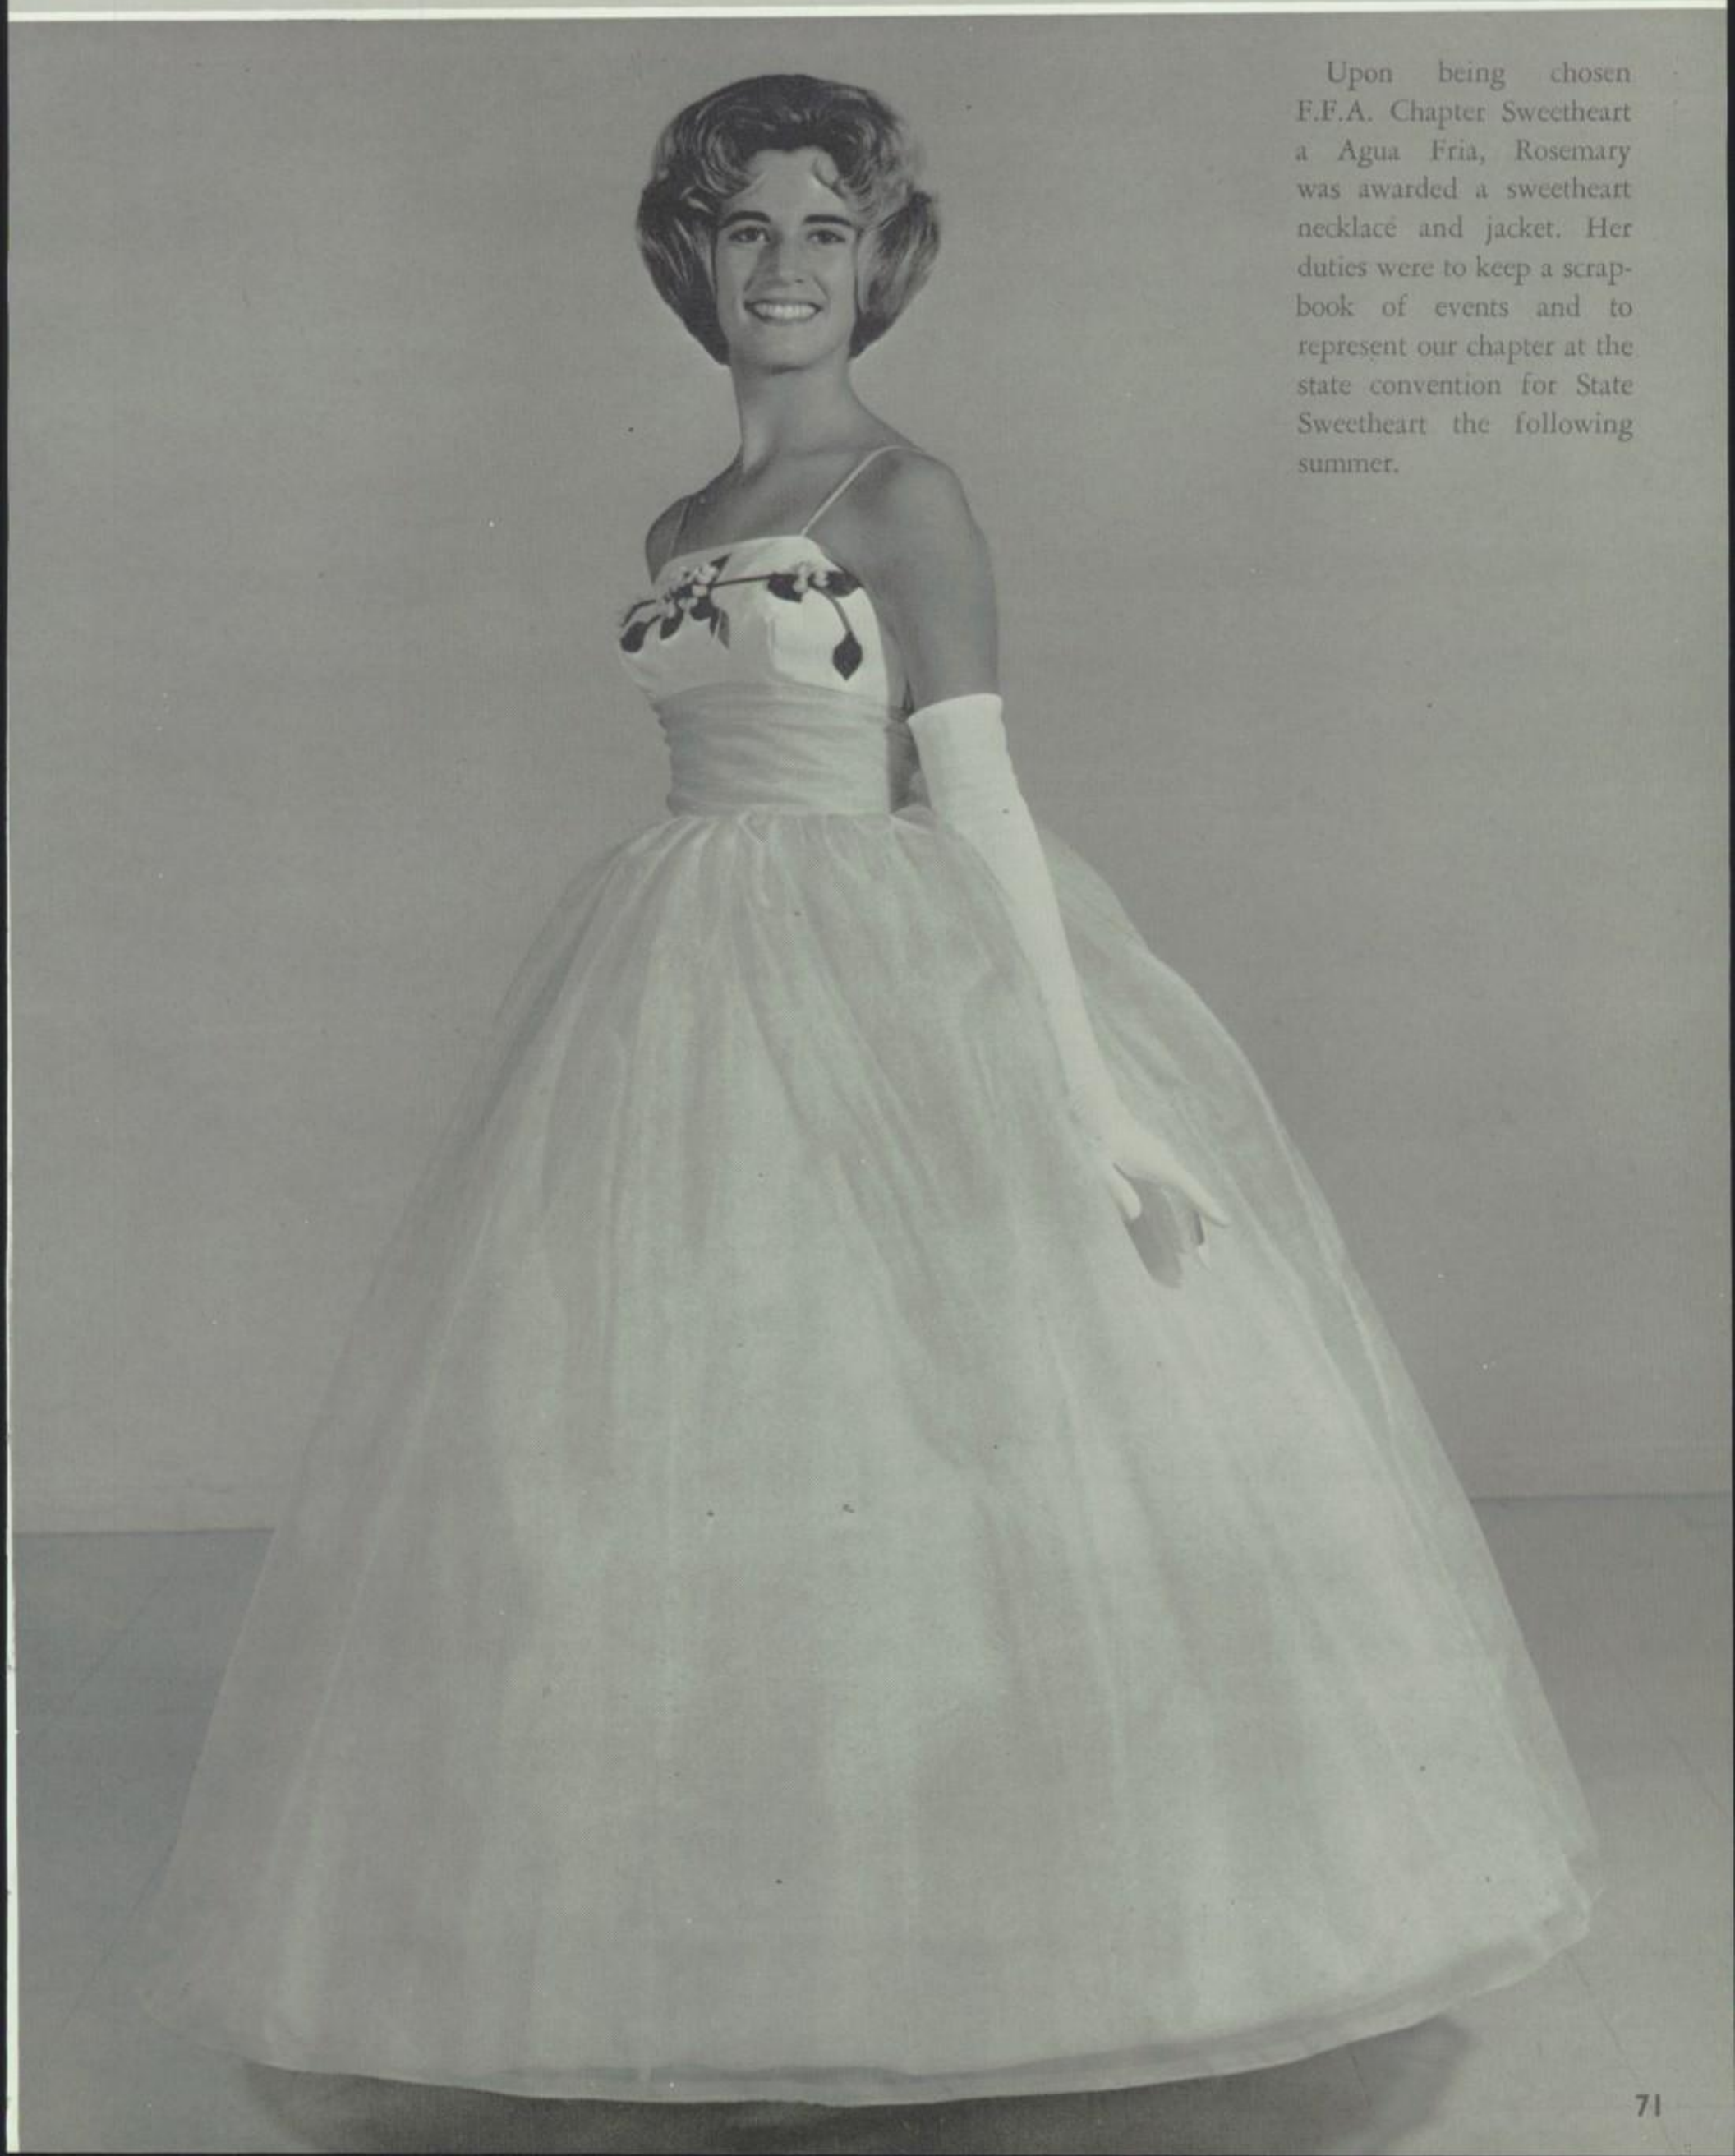
Mark Gemmill Key Club President and Sweetheart **Cathy Rhiel**

Mary Bob was elected Queen of F.H.A. by the student body. She served as president of the organization her junior year. The formal, "Blue Christmas," set the scene for her crowning.

Future Homemakers of America Queen **Mary Bob Ross**

FUTURE FARMERS OF AMERICA SWEETHEART

Rosemary King



Upon being chosen F.F.A. Chapter Sweetheart a Agua Fria, Rosemary was awarded a sweetheart necklace and jacket. Her duties were to keep a scrapbook of events and to represent our chapter at the state convention for State Sweetheart the following summer.

FOREIGN EXCHANGE STUDENT

Lena Moreno

Valparaiso, Chile, is the home of our foreign exchange student, Kena. She is eighteen years old and plans to become an interpreter for French, English, Italian, and Portuguese.

Sponsors: Mr. B. Casey; Mr. I. Quass.
Judy Glass—Treasurer; Lynda Bartle—Secretary; Frank DiVito—Vice President; Mark Gemmill—President.

The Praestantia Chapter at Agua Fria began in 1958. The National Honor Society gives recognition to students on the basis of scholarship, leadership, service, and character. It encourages the exploration and development of these qualities in students. This year they adopted a constitution establishing rules for membership.

BAND AND MAJORETTES ENTERTAIN AT GAMES

Kathy Lawrence

Agua Fria's band is both a class and a special organization. Its members are students interested in instrumental music. They are called on to perform for various events, and this year they had the privilege of performing at the U. of A. where they received an excellent rating.

Linda Boydston

Judy Coor

A band is never complete without the majorettes. They precede the band when in dress parade with fancy stepping and twirling batons.

MERIT COUNCIL GUIDES AND ASSISTS STUDENTS

The Merit Council and Health and Safety Council, which are branches of the Student Council, are two very active campus groups. The purpose of the Merit council is to work with the students and faculty, and bring about discipline of the students. The Health and Safety Council works with the community in raising money for various charitable drives.

ROW 1: Pam Williams, Nancy Webb, Susan Boydston, Linda Lawrence, and Michel Espil.
ROW 2: Tom Searls, Mr. Schireman, Collis Brown, Mr. Casey, Mr. Hyde and Steve Leuthold.

TRUTH FOR YOUTH TEACHES GOOD CITIZENSHIP

The T.F.Y. meets weekly and is primarily an organization for building Christian principles and future leaders. The club also meets at rallies with other valley clubs.

The T.F.Y. officers are Linda Dorman, vice president; Cecelia Fulton, secretary and treasurer; Grace McCloud, president; and James McCloud, song leader.

The Library Club is responsible for the efficiency of the library. Each period they assist the librarian in doing various jobs around the library, such as helping students to check out books. Every year they also sponsor a book fair.

LITERARY LIONS SPONSOR BOOK FAIR

The Library Club members are ROW 1: Frank Cerasuolo, Anita Hidgelen, Grace McCloud, Margo Wood. ROW 2: Mary Freemyer, Diane Bittle, Enedina Riojas, Barbara Waddell, Mary Jane Stanley, and Stella Waddell.

ROW 4: Rick Daggett, Collis Brown, Chuck Gould, John Gemmill, Greg Perkins, Frank DiVito, and Mr. Bell.

DRAMA CLUB STAGES MUSICAL

The Spanish Club's main purpose is to learn more about the language than they usually learn in class.

The Key Club is an international organization which was formed at Agua Fria about six years ago. This group of boys is willing to devote lots of time and energy to further worthwhile activities in the community and around school.

The Drama Club was the group behind the production of the play, "The Curious Savage," and this spring, along with the Concert Choir, they are going to produce Agua Fria's first musical comedy.

SPORTS

The word "sports" at Agua Fria is synonymous with . . . teamwork . . . glaring lights . . . hurried conferences between coach and players . . . frenzied joy when points are scored or a game won . . . concerned apprehension when things don't quite go as planned . . . the audible intake of breath held by the crowds at crucial moments . . . scoreboard watching . . . scanning programs to match a team member with their corresponding number . . . packing a few more ardent Owls on an already overloaded bus . . . getting drenched to the bone and not caring . . . optimistically speculating about Agua Fria's grand future in the current season . . . leaping cheerleaders and a prancing pom pon squad . . . nervousness permeating the stands at tense moments . . . "Honor First, Win or Lose" . . . practicing endlessly . . . striving for absolute perfection . . . rough companionship in the locker rooms . . . that special feeling of pride when wearing your letter sweater . . . satisfaction at being an integral part of a great team . . . the best kind of exhaustion, that comes from striving your utmost and giving your best . . . all for the further glory of your team and your school.

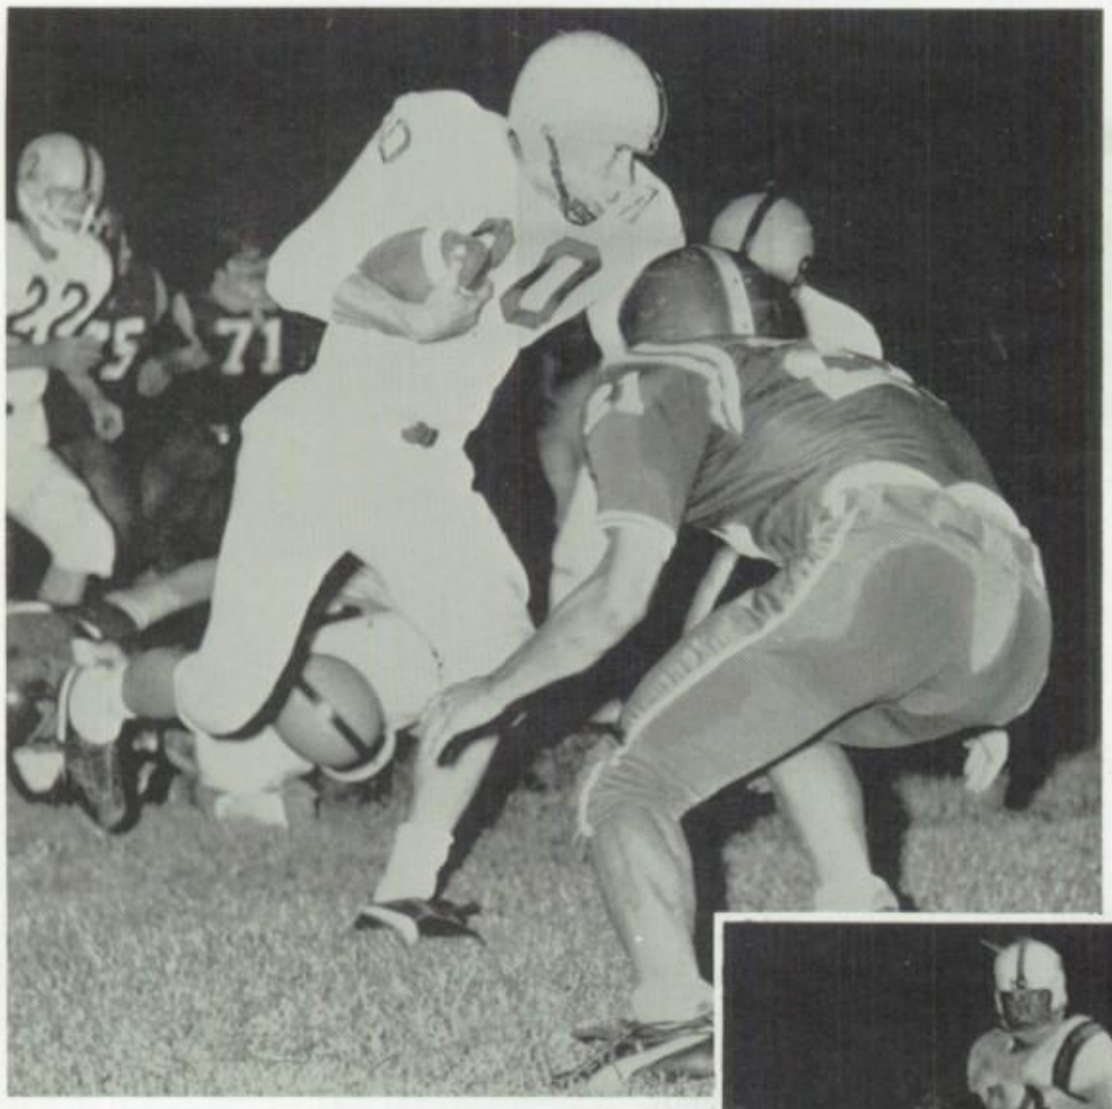
OWL FOOTBALL TEAM AT WORK FOR OUR SCHOOL



Under Agua Fria's fine coaching staff of head coach Glen Hamby and assistant Al Schireman, the Owls rolled to their most successful season in the school's history. Coach Doyle Green must also be commended for his fine scouting reports which contributed to the teams success. Last but not least, the team must be congratulated for it's fine play.

The Owls set another school record when they won their first seven games, before losing to Peoria in a hard fought defensive game. The Owl's opponents will have more respect in the years to come because of this year's fine showing.

The J.V. and Freshman teams also had outstanding seasons. Both squads proved to the other teams that they are teams to be taken seriously. Both teams showed good sportsmanship throughout the season.

**These seven games were forfeited by the Owls at the close of the season when it was learned that an ineligible player had participated in them. It should also be noted that the Owls were placed on probation for the 1963-1964 school year by the Arizona Interscholastic Association ruling that the Owls had held illegal pre-season football practice.

ROW 2: R. Tillman, B. Lueck, R. Miller, J. Truman, F. Lueck, D. Erickson.

After a slow start this year, the Owls began to roll later in the season. The early season losses were all by very small margins and part of the reason being inexperience. Although many of the players were playing their first year on varsity, they came through and provided the Owls with a very fine team and a lot of team spirit. O. K. Fulton should be commended on his fine job of coaching.

MANAGERS: Eddie Gonzales and Frank Cerasuolo.

OWLS' TEAM WORKS TOWARD A BETTER SEASON

Ralph and Bill lead Owls to opening win.

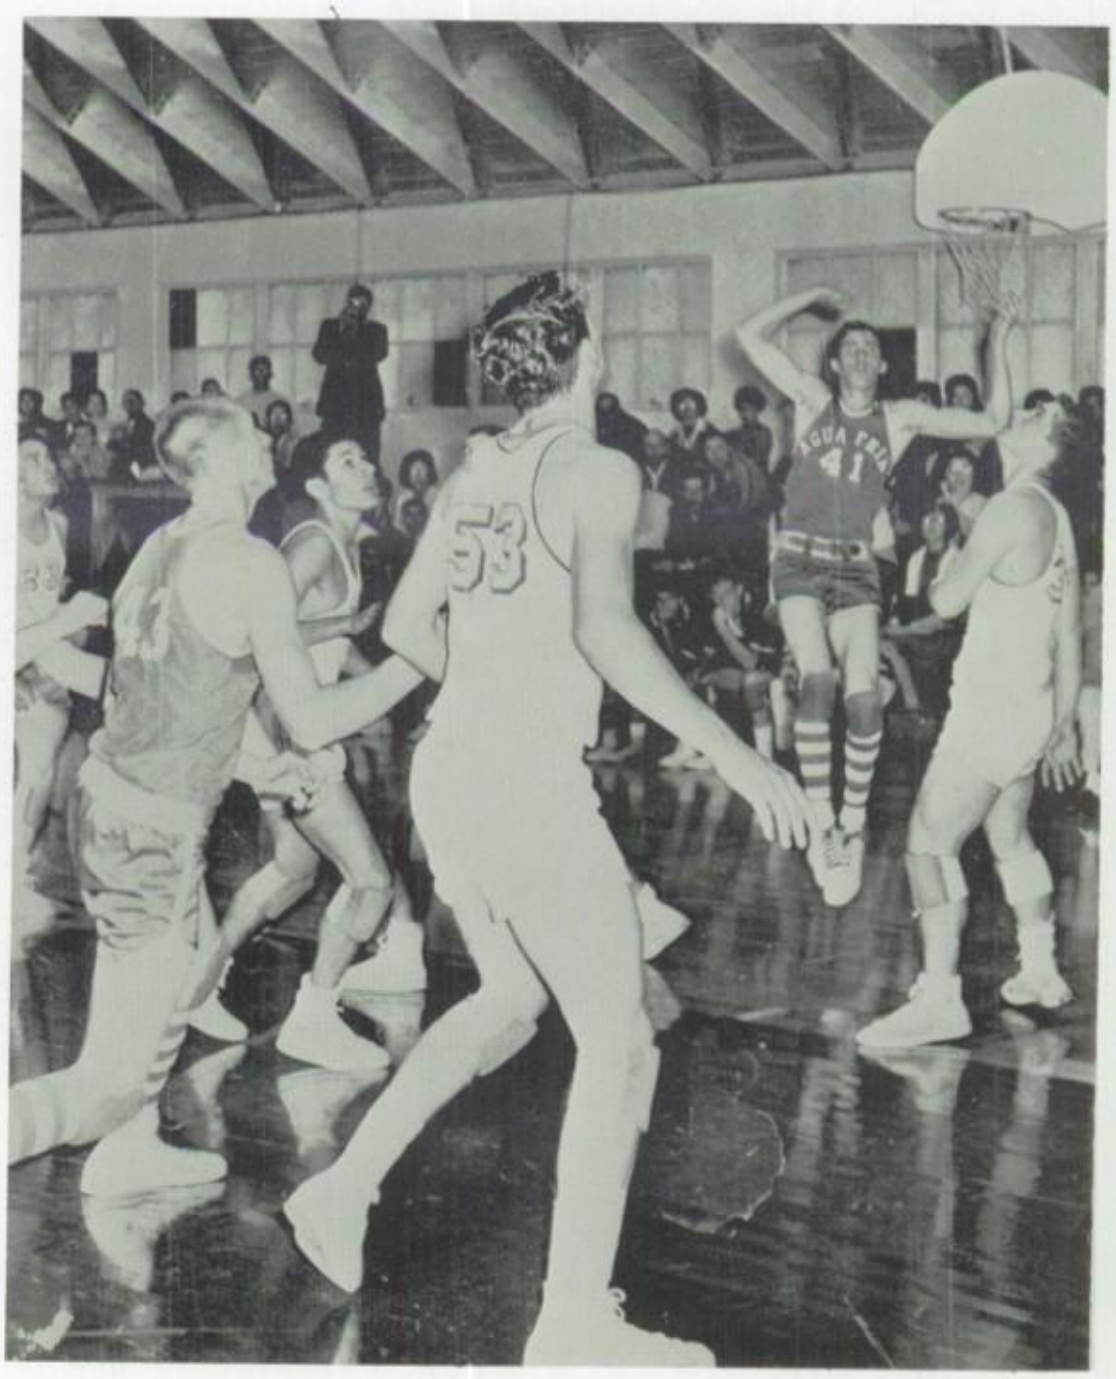
Frank, Bill, and Ralph await rebound in first game. The Owls won by a narrow 42-43 margin.

Under the fine coaching of Mr. O. K. Fulton, the Owls started a season with many new things to learn. Their height and rebounding are two factors which lead the Owls to a victorious season.

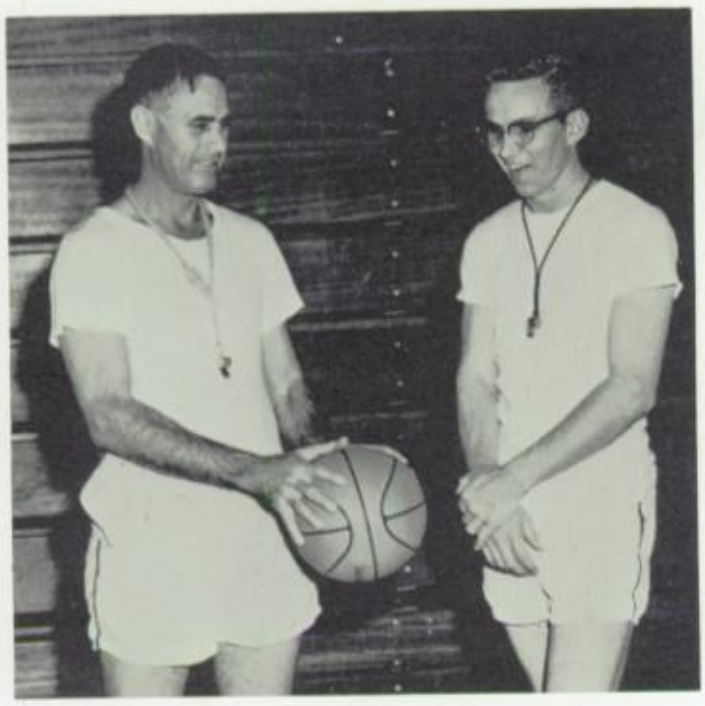
The student body is the chief supporter of our fine basketball team. They add moral support and encourage the team to do well.

Through competitive sports, students learn the value of the motto —

Honor First
Win or Lose



J.V. AND FRESHMEN WORK TO GAIN EXPERIENCE



J.V. Coach Tom Hyde, Frosh Coach Dixon Faucette.

The J.V. started a season off with four straight victories. They had fine rebounding ability and good shooters. Coach Hyde has really done a great deal to prepare these boys for the varsity team.

The freshman team is one of the finest that this school has ever had. Under the direction of their new coach, Dixon Faucette, they proved to be the toughest team in the conference. They were a very well-balanced team and were consistent throughout the season. These players should contribute greatly to the success of the varsity in future years.

Agua Fria speedsters are shown taking first three places in the hundred yard dash. Trackmen are left to right David Watson, Rick Lammers, and Doug Erickson.

The track team lost four lettermen but have showed outstanding ability in many running and field events. The pole vaulting event was slow getting under way because of inexperienced vaulters. Coach Hamby predicted at least ten boys would go to state this year. Rick Lammers, Fred Lueck, and Richard Mathias showed some of the fine skills of track.

TEAM MEMBERS SHOW ENTHUSIASM AT MEETS

Track is an individual sport which requires much participation by team members. With an average of two meets a week there is not much time for practice. The team won a majority of their meets last year.

BOYS' AND GIRLS' GOLF MAKE A FINE SHOWING

This was the first year for Girls' Golf. Under the coaching of Miss Boles, the girls enjoyed a fine season. The teams showed lots of enthusiasm and sportsmanship through the season.

Last year the Boys' team went to the state play offs for golf. This year they are looking forward to a better season with six returning lettermen; Mike Espil, Don Powers, Chuck Gould, Paul Monelli, Don Pratt, and Tom Stables.

WISHING...

Won't Make It So

Accomplishment takes planning and the best time to start is now.

As you go on in life, you'll find again and again that a good education, wisely used, has more to do with the realization of your plans and dreams than Lady Luck ever does.

It is the same with the energy business. We have to plan far ahead to be certain you will always have all the electric and natural gas energy you need for all the work you wish to do.
